'Railroad Days' at Historic Cold Spring Village, July 28-29

CAPE MAY — All aboard! Historic Cold Spring Village Annual Railroad Days will be held on Sat. and Sun., July 28-29, 10 a.m. - 4 p.m. Sponsored by the Marsh & McLennan Agency, Railroad Days is the perfect outing for folks interested in railroad memorabilia, model and toy trains, or just enjoying a unique collection in a unique historical setting.

Under the guidance of the Welcome Center and along the Village's shady lanes, visitors will find presentations and displays from a variety of groups. As part of their model train layouts, the South Jersey Railroad Society will exhibit a display of Village buildings and a circus setting, and offer a hands-on experience for children of all ages. On display in the Welcome Center will be the South Jersey Railroad Society's fifteen-foot G scale railroad. Additional groups, including the 4-H Club, Just for Fun, and the Strawberry Railroad Club, will exhibit a variety of models and landscapes. Railroad ephemera and memorabilia will be on display and available for purchase throughout the Village. Children can enjoy free toy train rides around the Village, Sat. 11 a.m. - 3 p.m. and Sun. 12 p.m. - 4 p.m.

“This is a wonderful event for the whole family: the model railroads are always fascinating to see in action,” said Anne Salvatore, HCSV Executive Director. “Railroad lore is an integral part of the American experience and we are always excited to share that interest with the public.”

Two of the Village’s historical structures are linked to Cape May County’s own railroading heritage. The Rio Grande Station, donated to HCSV in 1974 and recently added to the National and State Registers of Historic Places, was built in 1894 by the Atlantic City Railroad to serve the Middle Township rural farming community of Rio Grande. The Woodbine Junction Tower is a two-story signal tower built in 1894 that originally stood in Dennis Township. It controlled the Woodbine Junction of the Atlantic City Railroad, which was the western end of a branch line that ran east to Ocean City. The tower was acquired by HCSV in 1974.

Historic Cold Spring Village is a non-profit, open-air living history museum that portrays the daily life of a rural South Jersey community of the early American period. It features 26 restored historic structures on a 30-acre site. From late June to early September, interpreters and artisans in period clothing preserve the trades, crafts and heritage of “the age of homespun.” Fun and educational activities for children are featured Tues. through Sun., with special events every weekend through mid-September.

Historic Cold Spring Village is located on Route 9, three miles north of Victorian Cape May and a mile and a half west of the southern terminus of the Garden State Parkway. Admission during the season is $10 for adults and $8 for children ages 3 to 12. Children under 3 are admitted free. Cape May Film Society Continues Friday Night Summer Film Series at the Chalfonte

CAPE MAY - The Cape May Film Society continues its summer film series on Friday, July 27, at 7:30 p.m. at the Chalfonte Hotel (303 Hourse Street, Cape May), with “The Gold Rush,” the 1924 Charlie Chaplin classic (and one of his personal favorites). This is a remake from Chaplin of his 1925 silent film classic. On Aug. 3, watch “Roxy Hart” starring Ginger Rogers as the woman who inspired the hit movie musical “Chicago”!

“These are forgotten films,” says Jeff Giordano, award-winning independent filmmaker who is hosting the series. “Yet these three works are examples of great storytelling and filmmaking that are fun to watch and discuss.” Giordano will present short films preceding these features films. His films have appeared in film festivals around the world (and at the Cape May Film Festival). Also, on Sun., Aug. 5, the Film Society will screen the classic silent film “The Mark of Zorro” with live organ accompanist Wayne Zimmerman, an event presented with the East Lynne Theater Company at First Presbyterian Church at 500 Hughes Street in Cape May.

Morey's Piers - A Legacy of Amusement

By Megan Kummer

Morey’s Piers and Beachfront Waterparks, a classic seaside amusement park and the pride and joy of the Wildwoods Boardwalk, has been family owned and operated since its momentous opening in 1969.

Bill and Will Morey Sr. began the amusement legacy when they purchased two lots of boardwalk in North Wildwood at 25th and 26th streets. They called this space Surfside Pier and opened the following summer with a giant fiberglass slide called the Wipe Out. Guests paid 25 cents to slide down the ride in burlap sacks.

The park is currently run by 2nd generation Morey Brothers, Will and Jack. The Morey Brothers grew up immersed in the unique culture of the boardwalk and seaside living, inspiring their work and allowing Morey’s Piers to be voted one of the top three seaside amusement parks in the world by Amusement Today.

Surfside Pier is a colorful seaside carnival located at 25th Street in North Wildwood. It was the first of the three piers, and now, mixes a variety of kiddie rides with family thrills like the Zoom Thrill and Fitzler in an environment fueled by neon colors, bright lights, and music.

On the beach behind Surfside Pier lies a tropical island getaway in Ocean Oasis Waterpark and Beach Club. Offering massage services, family activities, private cabana rentals, hammocks and exquisite dining at Oasis Café, Ocean Oasis is the perfect blend of fun and tranquility.

Mariner’s Landing, located at Schellenger Avenue in Wildwood, offers the atmosphere of a traditional amusement park. With classics like the Super Scooters, Tea cups, Musik Express and the famous Giant Wheel, Mariner’s Landing takes families back to the turn of the century when life was simpler. It’s also the only place to experience Breakfast in the Sky. A gourmet, white linen and china breakfast on the Giant Wheel, offering spectacular views of the ocean and all of the Wildwoods. This unique dining experience was one of the last famous ideas of Morey’s Pier’s late founder, Will Morey Sr. Years later, to sentimentally honor his father’s last whimsical wish, the second-generation Morey Brothers, have set the dream in motion—literally!

Behind Mariner’s Landing, guests will find acrobatics and excitement at Raging Waters Waterpark. Inspired by shipwrecks, this waterpark looks and feels like it might have just washed up one day ready for families to enjoy. Raging Waters offers two unique kiddie play areas at Shipwreck Shores and Camp Kidstaphone along with speed slides, Shotgun Falls and an activity pool full of challenges. Adventure Pier, located at Spencer Avenue, lives up to its name. Featuring lots of Xtreme rides, the Grand Prix Raceway and the wooden coaster The Great White, Adventure Pier can certainly leave heads spinning and families laughing. Adventure Pier offers a highly interactive amusement environment.

As far as dining, Morey’s marries the stellar culinary education of award winning Executive Chef Wally Jurusik with classic boardwalk fare with its innovative and always delicious options. Visit Jumbo’s on Mariner’s Landing for sea food, steaks, giant pizzas, a raw bar and more casual fare. New for 2011, Jumbo’s now offers beer and wine, a full beer and wine list. Joe's Fish Co., the newest Morey's eatery is located on 26th Street and offers savory seafood with an eclectic boardwalk twist. Curly's Fries is an authentic boardwalk fixture and everyone's favorite fry. With locations in front of both Mariner’s Landing and Surfside Piers, the legendary Curly’s Fries serves “Shake-Srips,” funnel cake, pizza, fresh squeezed lemonade, and, of course, the most addictive crinkle cut fries.

Since its single ride humble beginnings, Morey’s Piers has come an extremely long way. With over 100 rides and attractions for families and kids of all ages and spanning the iconic Wildwood Boardwalk, Morey’s Piers includes three action packed amusement piers and two beachfront waterparks, each with its own personality. Discover for yourself why Morey’s has received worldwide recognition as winner of the International Association of Amusement Parks & Attractions “Must See Waterparks” Award and the New Jersey Governor’s Award for Tourism Excellence.

Cape May Murder Mystery Dinners and Luncheons Feature New Mystery

CAPE MAY - Play along and solve the mystery while enjoying delicious four-course dinners and three-course luncheons this fall at the Inn of Cape May, 7 Ocean St., during Murder Mystery Dinners and Luncheons sponsored by the Mid-Atlantic Center for the Arts & Humanities (MAC).

A new play begins Victorian Weekend (Oct. 5-9) and continues through the Halloween season (Oct. 12-31), during Murder Mystery Dinners and Luncheons. Stormy weather sets the scene for this new mystery, “Foul Weather Fiend,” by playwright Jeanne-Andrée Nelson.

While the members of the Friends of the Arts gather at the Seagull Inn to plan their next fund-raising event, a tropical storm system is threatening to impact the Southern Jersey shore. The fear of coastal flooding, heavy rains and fierce winds are not the only concerns for the guests trapped in the dining room. A storm is brewing inside as well. Rivalries, resentments, chicanery, sinister plots and finally a murder will soon wind blow away the genteel façade of the Friends of the Arts. Ride out the storms with us, but beware of “When the wind is in the East,” it’s neither good for men nor women.

During Victorian Weekend, Murder Mystery Dinners are Saturday through Monday, Oct. 6-9 at 7 p.m., and during the Halloween season they are Saturdays, Oct. 13, 20 and 27 at 7 p.m., with Murder Mystery Luncheons on Sundays, Oct. 14, 21 and 28 at 1 p.m. These events are limited and reservations are necessary. Tickets are $45 for dinners and $30 for luncheons. A children’s menu is $15 per meal.

For more information or to make reservations, please call 609-884-904 or 800-271-4278 or visit MAC’s Web site at www.capemaymac.org.
